

ANNOUNCEMENT: MENISCUS TRAVELLING FELLOWSHIP

THE MENISCUS Group is thrilled to introduce the MENISCUS Travelling Fellowship, a unique opportunity for young Orthopaedic surgeons to deepen their expertise in meniscus science and surgery across Europe and Asia.

New Feature:

Two European and two Asian fellows will be selected for an enriching two-part fellowship experience.

Location & Schedule:

PART 1 : EUROPE
JANUARY 13-26, 2025

PART 2 : JAPAN
DECEMBER 3-13, 2025

This fellowship includes:

- Visits to internationally renowned centers specializing in meniscus science and surgery.
- Attendance at the ESSKA Surgical Skills Course and the MENISCUS Congress in Berlin, January 2024.
- Participation in the 2nd Asian Meniscus Summit in Himeji, Japan, in December 2025.

Eligibility: Priority will be given to early-career Orthopaedic surgeons (within the first 5 years of practice) who have demonstrated commitment to meniscus science, evidenced by at least one Medline-indexed publication on the topic.

Application Details:

- Required documents: CV and a motivation letter
- Submission address: rseil@yahoo.com
- Application deadline: December 1st, 2024

Embark on this journey to advance your skills, connect with global experts, and make lasting contributions to meniscus research and surgery!
